Dear Lee & the Team,

We just wanted to reach out and thank you from the bottom of our hearts for being such a huge part of our big day on Friday.

Music is so important to us; it played a massive role in how we met and continues to be such a source of joy in our relationship. Having a packed out dance floor was all we wanted for our wedding and you certainly delivered! Our guests have commented on how incredible the playlist was and we had a brilliant group still standing for the final song!

Thank you for everything you did for us in the lead up and for delivering an incredible party for us on the day.

All the thank yous,

Kayla & Harry / Mr & Mrs Lewis xx

Hi both,

I hope you are doing well, I just wanted to say thank you for such a great night, all of our guests said they loved the music and I don't think I've been to a wedding where everybody was up dancing so early and then continued through the night so thank you very much!

I just wanted to check when we could expect the recording from our Audio guest book..... We're both really excited to hear it. *(replied – with 5 working days peak season)*

Thanks again, Zac

Thank you for all of your support with our wedding last Thursday.

Everything went absolutely seamlessly on the day and we were very pleased with the DJing, the lawn games and photo booth team. Warren was also amazing!

I have put a 5* review on Hitched. Please let me know if there are any other websites where a review would be helpful for you in generating future business and I'll put one on.

Many thanks, Christian

Sophie & Christopher | Great Tythe Barn | Thurs 29 May 25 | Wedding Party | DJ / plus GAMES (DJ: Darren via Email)

Hi Lee,

Just wanted to say a massive thank you for being our DJ last night. We had a blast and it was so much fun. I'm so sorry I didn't get round to thanking you last night - at the end of the night we were trying to find out how we were going to get into our hotel so were a bit stressed lol!

You did a brilliant job. People were also enjoying the weather and playing with your games outside (we had a lot of older folks so a slightly more boring crowd lol) Apologies also for being late for the first dance and cake cut! I was so busy chatting to everyone outside that I lost track of time.

I have looked back at some of the photos and noticed the special effects on the floor which look great in the pictures! I will leave you a good review over the next few days.

Thanks again, Sophie and Chris 😊

Angel G | Cripps Barn | Mon 11 Nov 24 | Wedding Party | requests | DJ (Darren) via Google Review

I cannot recommend the wedding players enough! It really felt like they couldn't do enough for you. Communication was amazing throughout. Darren was amazing on the night and knew how to keep the vibes going. I had guests complain to me they were tired as "its banger after banger" . I briefly mentioned I listened to more alternative music and on the night he kept a good balance of music everyone knew and ones I loved (which everyone else seemed to love too!) We also used their photobooth and everyone loved it. Darren was kind enough to get a backdrop holder for the backdrop we had custom made. So happy with the service ❤️

Joshua & Rachel | Sat 06 July 24 | Double Barn | Lydney | DJ (Darren) & Sax (Carly)

To Darren & Carly,

We hope this email finds you well. We wanted to take a moment to express our heartfelt gratitude for the amazing job you did as the DJ & Saxophonist at our wedding. Your song choices, talent and energy truly made our special day unforgettable.

From the spontaneous Sweet Caroline to Love Story at the end, your ability to read the crowd and keep the party going was truly impressive. We know it's hard battling nice weather outside! We received so many compliments from our guests about how much fun they had dancing the night away.

Your professionalism and attention to detail did not go unnoticed. It was such a relief to know that we could trust you to handle the music and keep the flow of the evening seamless.

Thank you once again for contributing to the magic of our wedding day. We will always cherish the memories created on the dance floor, thanks to you.

Warm regards, Josh & Rachel.

Barry Ford | Anniversary Party | Arnos Manor Hotel | Sat 28 Sept 24 | DJ (DJ: Jon / via email)

Good afternoon,

Thoughts from last night.

We had a wonderful time,

Jon did us proud. He had some very happy old people swaying to Lionel Ritchi, a long wait before anyone else got onto the dance floor, provided the music for a physio session for a stroke recovering friend that enjoyed and amazed himself and had some people doing a sitting dance. Brilliant!!

Thank you so much for helping to make the evening so enjoyable. Barry and Ann.

Hollie & Dan | The White Horse, Hambrook | Sat 21 Sept 24 | Wedding Party / Rustic Look

Hi Jon / Lee,

I just wanted to drop to a quick message to say thank you so much!

Jon, the DJ set up looked exactly as we wanted with the rustic booth, you also did a great job with the choices of songs and music, keeping the dance floor filled all night! We couldn't have asked for a better party, everyone keeps telling us how much of a great time they had and how much they were aching the next day from too much dancing!

All the best, Dan & Hollie

Becky & Connor (Becky's Mum - Gaynor R) | Manor House | Castle Combe | Sun 08 Sept 24 | Wedding Party

Good Morning Lee and the team too!

Wow, what a wonderful night of dancing and celebrating we had on Sunday evening in the Dunstanville Suite at The Manor House.

I can't thank Alan enough for the truly amazing music you played; you are an excellent DJ and all the music Becky and Connor requested was played with such ease and professionalism.

The Wedding Player's contribution to our special day was truly perfect and everyone was up and danced the night away. My legs are certainly telling me how much I had danced!

Please pass on our thanks to the gentleman who managed the Photo Booth - some great photos - loved all the props too.

Thank you, thank you for everything.

Our very best wishes

A Foyne | Sat 20 July 24 | Red Lion , Babcary Somerton | 70th Birthday Party | DJ (Jon) – via phone & email

Dear Lee,

Just wanted to say how good Jonathan Cashmore was at my 70th Birthday Bash on 20th July at the Red Lion, Babcary. He got the mood of the evening just right, played a lovely selection of music, upping sound and intensity at just the right time and was really friendly and approachable. I have rung him directly to thank him and thought you should know too. And thank you for your smooth organisation. I will certainly recommend you and Jonathon if ever I am asked if I know of a good disco provider. (the bad news is that I fear that is extremely unlikely given my age and social circle).

Yours sincerely,

Andy Foyne

Lousie F. | New Moon On the Quay, Bristol | Fri 31 May 24 | (DJ: Darren / via email)

Hi Lee,

We just wanted to leave some feedback for Darren's DJ-ing on Friday 31st May: Darren communicated really well in the lead up to the event, including phoning as promised a few days before the event. On the day, he had arrived and setup well before the agreed start time, and kindly helped us to use his microphone for our speeches. His DJ-ing was exactly what we wanted - he took lots of requests, he played the stuff we really wanted, and even refused the one request that we specifically said we didn't want. We could tell that he was really paying attention to the reaction to each song, for example when a particular song (that we requested) didn't really work for most people on the dancefloor, he swiftly and smoothly mixed it into the next one and got people dancing again. The kit and music volume was perfect for the venue, and the lighting setup was a great touch too. We were thrilled with Darren's work and wouldn't hesitate to recommend him to anyone else. Best, Louise and Andy

Silent Disco I Pump Room / Guild Hall Bath I Fri 09 Sat 10 Feb 24 I (Chris & Darren DJs)

Hi Tom, Kizzie and the rest of the team (at BANES) our client

I just wanted to say how absolutely fantastic the Silent Disco at the Roman Baths was last night!

Olivia and I had the best time!

It was brilliantly organised and the music selection was the best I ever known. The ability to flick between the three stations meant there was never a dull moment!

All the participants I saw were having an absolute whale of a time!

One of my favourite moments was a conga line of about 6 dancers all listening to a conga song on one channel with one odd dancer at the end of the line listening to a completely different song and looking comically bemused! It really made me laugh!

Anyway thanks so much for putting it on!

I'll look forward to doing another one sometime in the future!

Kind regards, Ryan

Hi Darren

Can I thank you very much for the wonderful evening you gave us on Saturday night.

You pitched the music brilliantly.

I thought the way you and Roger managed the Saxophone sections was just perfect.

The choice of music was perfect (the great timeless pop-songs which people can dance to)

I suspect you might have wanted more people on the dance floor but I think the heat limited what people were up for.

Everyone told me how wonderful the evening was, and you certainly made a major contribution .

Thank you so much, Rory

Hi Darren,

We loved every minute of Saturday! Thank you so much for being a legendary DJ- you read the room, played all our favourites and had the best sound system. We honestly couldn't have asked for anything better. Everyone commented that you were a total expert and were playing all their favourites. Some of our guests said they didn't even want to go to the loo because every time they were about to go another classic came on! Thank you for keeping the party going and the dance floor full. Also that sound system is so great! The noise limiter was clearly no obstacle for you because the music sounded amazing all night. I think the DJ can totally make or break the party and you definitely made it!! Thanks for everything and I will be sure to recommend you guys!

All the very best, Cayla and Raoul

Hi Darren. We've survived the first week of wedded bliss! :-D I just wanted to say thank you for a great wedding party last weekend. Our guests really enjoyed themselves. I think I did too. I got a bit too merry to have much recollection haha. I was just wondering if you had a tracklist/playlist of songs you played last week? I'd just like to have a list I can use to look back on in years to come and remember what we danced to. :-) thank you again, Larissa

Thank you. What a fantastic & special evening.

I'm sorry there wasn't more dancing, but everyone was just so pleased to see each other and couldn't stop chatting!! A make of a good party but it would have been very flat without your music and lighting.

So thank you.

Another successful evening and very happy customer!

Sarah Welch | Combe Lodge | Tues 05 Oct 21 | Wedding Party | Sweet / Gift Cart – Matt James

Hi Lee,

Sorry for the delay in emailing you, but it's been a total whirlwind since the wedding!!! I did however want to drop you a line to say thank you so much for all of your assistance with arranging the sweet cart for my wedding - Matt was super lovely and it was a real pleasure to meet him, albeit it briefly as we got dragged away for our photographs and lots of other wedding madness. Even a short exchange was enough to see how smiley, friendly, and professional he is.

The cart looked so beautiful, and our guests loved it, it really was a perfect addition, and it was so pretty...I'd love to have one in my house! We were so happy with the service (especially the flexibility once we were given our timings) and with everything Matt did on the day, and I just wanted to say thank you so much and send our very best wishes to you both.

Kind regards, Sarah

Sorry for only just messaging you. I just wanted to say thank you so much for DJing our wedding at Elmhay Park on the 25th September. You were fantastic and so many of our guests told us the following morning how great you were, so thank you!

I know you ended up staying around 30 minutes or so (I think, I'd had a few drinks, so my timekeeping wasn't the most reliable that night!) longer than we originally booked and paid for. Do you want me to pay you for the extra time?

I can't recommend The Wedding Players enough for the services they provided at our wedding. Darren arrived in good time to set up a speaker for our outdoor ceremony, and helped out throughout the day, before DJing the evening party. Hi,

I just wanted to say the biggest thank you to our DJ Alan (Chris replacement) on Saturday night at Old Gore barn. Please could my thanks be passed on to him and the rest of the team who helped, including the people who got me the rustic booth as it looked great! I would highly recommend. Your service has been exceptional, and Alan (Chris replacement) played the best songs, completely read the room and everyone loved his energy. He also refused to play a song from my dislikes list despite my friends asking!!
